SUPPLEMENT

1. The Chinese Communist armed forces in Port Arthur have increased. By decision of the Soviet military authorities the activities of these forces are still restricted to the Chiu Shih Chieh (Old Town) (121-16, 38-49), Port Arthur.
2. The Chinese Communists are attempting to force all Chinese in Port Arthur 14 years of age and older to participate in Communist Party work.
3. The Chinese Communists use the propaganda line that "the glorious Soviet Army assisted China to defeat the Japanese and therefore the Chinese people should welcome Soviet protection of Port Arthur and Dairen against the Americans and the English who are like the Japanese in their attempts to invade China."
4. At each station at the entrance to Port Arthur Harbor there are four or five Soviet MP's and two or three Chinese assigned by the Chinese Communist Far Eastern Politburo to investigate all traffic. These Chinese give all small fishing boats a thorough examination.
